

AIRLINES

There are 3 airlines that connect directly to State College (University Park Airport, code SCE):

United: Washington Dulles (IAD) – prop plane; Chicago (ORD) – regional jet

American: Philadelphia (PHL) – mix of prop and regional jet

Delta: Detroit (DTW) – regional jet

The State College airport is small, with little in the way of food or amenities (no bar). But, there are also minimal lines for both check-in and security. The Penn Stater Hotel has a shuttle service directly from the airport – reservations can be made online at:

There is also limited taxi service, and car rentals are available from Avis, Hertz, National, Alamo, Enterprise, Budget, and Payless.

The address for the Penn Stater is 215 Innovation Boulevard, State College, PA 16803 if you are using a mapping program.
